LETTER OF RECOMMENDATION FOR STUDENT:

Usulután June 9, 2023.

Good morning dear Belén, as a student of the Engineering in Computer Systems and Networks program at the Faculty of Science and Technology, I would like to tell you that I have assessments of your educational activities: In the intellectual part, I consider her persevering in her educational process, she develops the tasks based on their knowledge. As for the emotional part, she is collaborative and friendly.

Without further ado, I say goodbye, and I remain at your disposal for any questions.

Sincerely:

Oscar Roberto Torres Rodriguez.

Faculty of Science and

Technology.
